TIJERAS CREEK GOLF CLUB
GROW A COMMUNITY
FRIDAY OCTOBER SIXTEENTH
PLAY IT FORWARD

Dear Friends:

On July 21, 2011, we lost our daughter, McKenna Claire Wetzel, to DIPG - a rare form of pediatric brain cancer - just two weeks shy of her eighth birthday. Through the worst of circumstances, we had been thrust into the world of cancer, learning first hand the shortfalls of science and the work that remained to be done in order to find cures. Devastated by McKenna's passing, we knew we would do anything we could to prevent another family from having to endure the pain of losing a child to this disease. From this knowledge, the McKenna Claire Foundation was born with the mission to "cure pediatric brain cancer by raising awareness, increasing community involvement, and funding research."

On Friday, October 16, 2015, at the Tijeras Creek Golf Club in Rancho Santa Margarita a sold-out gathering of friends, partners, and business leaders will join together at the McKenna Claire Foundation's 4th Annual "Play It Forward" golf tournament. Together, this community will take aim at being part of the cancer solution. We would be honored to have your company become involved as a sponsor.

The MCF Play It Forward golf tournament is a great opportunity for your company to receive exposure, connect to an amazing community, and support an important cause. I have attached a sheet describing levels of sponsorship available. Your participation will help make this year's event an even bigger success, providing researchers with much needed funding, and help Shine A Light on pediatric cancer. Should you have any questions, please feel free to contact David Wetzel at 714-612-0198 or dave@mckennaclairefoundation.org.

We look forward to your partnership.

Sincerely,

Dave and Kristine Wetzel
